Invitation

Dear Colleague,

It gives me an immense pleasure to invite you for attending workshop on Urinary Diversion on 20th & 21st December 2014 being jointly organized by Rajiv Gandhi Cancer Institute and Research Centre & PGIMER and Dr. Ram Manohar Lohia Hospital, New Delhi. On the first day it shall also be the part of the web-seminar of USI organized by Board of Education (BOE). As you know there is tremendous change in field urinary diversion in last 30-40 years from uretero-sigmoidostomy to ileal conduit then content catheterizable pouch and now orthotopic Neobladder.

With improvement in anesthesia and surgical techniques, more and more patient are now-a-days being offered Orthotopic Neobladder as primary choice of diversions. However only few high volume centers in India offer the Neobladder. This is an effort to show these complex surgeries by the masters in the field.

For this we have invited international experts like Dr. Hassan Abol – Enein, Mansoura, Egypt, Dr. Arnulf Stenzl, Tuebingen, Germany, Dr. Jørgen Bjerggaard Jensen, Denmark, Dr. Badrinath Konety, USA, and Dr. Ashok Kumar Hemal, Wake Forest University, USA. Beside these we will also be operating in this workshop.

We are sure you will enjoy the excellent academic and operative program that has been planned for these two days.

Please block 20th and 21st December 2014 and be a part of this workshop.
